This map is provided by the Silverwing Family, in an effort to assist in finding ancestral graves. The section and plot data are based on original cemetery records and are subject to human error. Trees, buildings and roads are estimated and may not reflect current conditions.

Sections are denoted by the letter "S" followed by a two digit number. Lots are represented by the letter "L" followed by a two digit number. Not all lots are shown, but can be estimated by averaging nearby lots in the section.
